CHAS. BROWN

THE WOODS

By DOUGLAS MALLOCH

THE BIGGER THING.

JUST yesterday I watched an ant
Atoin in the summer sun;
I saw him puff and pull and pant
With little burdens, one by one,
A wisp of straw across his way.
Once kept him busy for an hour.
An ant-ant-ant long he walked that day
To get around a bloomin' flower.
The sun he carried grain by grain—
Great bowlders that he had to lift—
An' with his engineerin' brain,
He sunk his shaft an' run his drift.
An' then at night a Rigger Thing,
To which the Little Thing must kneel,
Creation's self-appointed king,
Wiped out the ant with its heel.

Laugh Reveals Character.
There are those who give themselves over to laughter quickly; there are others who hold back to the breaking point, and, if you are trying to make them laugh, you turn with a look of triumph when at last the ice is broken. All of these differing cases between character, and we are not far wrong when we say, "Let me hear you laugh and I'll tell you what sort of a being you are—whether you are a good companion or a strenuous one; whether you are cynical, cruel, good natured, honest or not to be trusted."

SURE.

He: Would you
be satisfied with
love in a cottage?
She: In a \$25-
000-00 one—yes.

Kathleen O'Connor

Kathleen O'Connor, formerly a telephone operator in Toledo, O., winner of a recent contest for the most beautiful telephone operator in that state, always wanted to become a "movie" actress. Her ambition was realized as if by magic, the honor and opportunity having been thrust upon her.

"What's in a Name?"

By MILDRED MARSHALL

Face about your name (history, meaning, whence it was derived, significance, your lucky day and lucky jewel).

ROSE.

ROSE by any other name would still be a rose, according to etymologists. The fortunate possessor of one of the most popular flower names has a charmingly fragrant origin. It seems that all countries and languages agree in expressing a rose by its color. Even the Syrian name for the gleaming rose (shamir) is colorful. Greece produced a Rhoda, which has since come to be a modern name of white roses. The first feminine names to be associated with the fragrant flower called a rose were Rhodis and Rosalia, which, courtesy etymology, are said to come from the French and Latin of roses, meaning fame, rather than from the flower. Kinga's most famous Rhodis was the wife of Albert of Mainz. There were many Rosas among the De Bonis and De Veres and the wife of Fulbert de Dover in the reign of Henry II was so called. Ireland adopted the English form and changed it to Rose, whereupon it found vogue in all classes and is still one of the most popular peasant names. Germany took it and made from it the similar roses, Rosa and Roschen. Rosalie is a 15th form found only in Italy, but is none the less charming. Our own white of Latinizing our short feminine names, following the Spanish-American war, has made Rosita almost equivalent to Rose; certainly every Rose has an etymological right to call herself Rosita if she so fancies.

Everyone is familiar with the Rose of Tennyson's "Garden of Eden" and "Who has not heard Of Rose, the Garden's daughter? Where was he, So faint in memory, as old as heart, At such a distance from his youth in error That, having seen, forgot? The common mouth, So gross to express delight, in praise of her, Grew cratory. Such a bird to love, And Beauty own a mistress of the world. The roses again is Rose's emblematic stone. It signifies a bold heart and freedom from danger. If worn as an amulet, Tuesday is Rose's lucky day and 2 her lucky number. The wild rose is her flower.

Smallest State in the World.
There are several very small states tucked away in one part of the world, or another, but the finest of them all is Tuvalu, a small island north of Sicily and south of Cape Florida, which has a population of 50 persons. Its government is very simple, but the residents maintain a representative at Rome.

"What's in a Name?"

By MILDRED MARSHALL

Face about your name (history, meaning, whence it was derived, significance, your lucky day and lucky jewel).

ANITA

THE lovely Spanish favorite Anita has won almost as prominent a place among the feminine names of our country as the equally exotic Junonia which followed the song of that title. Anita, however, is much more recent of North America than its prototype. For Anita, signifying grace, has an origin parallel with Anne.

About the time that the mother of Samuel was recorded in Biblical chronicles—the original Hannah, the etymological way was being paved for the entrance of Anita through the gateway of Spain. Byzantium, that kingdom of royal splendor, paid homage to a St. Anita who is thought to be a forebear to the great Roman lady.

The daughter of Emperor Basil VIII, himself a married Prince of Moscow, and carried the name into Russia, where it was subjected to the Slavic influence and is used both in various forms of diminutives and variations, one being the most, Anna. Anna still has some force. The susceptibility of the name to the influence of all languages readily brought it to the attention of ecclesiastical Spain, who adopted it at the end of the 16th century and the name "Anita" was born, making the familiar Ann, which has great popularity here. But Spain, no sooner does a name than it must have a diminutive, after the Latin fashion—every Anita.

Italy took Anita and called her Anetta, which was later subjected to a diminutive process and issued forth a Nanna.

Anita's fatherland seems to be the East, for she has a greater history and less than those of any other female. It is as the power of hypnotism and is said to be a charm against evil spirits. It is a sacred name in India where its dazzling white light shot forth brilliant green flames with many powers. Thursday is Anita's lucky day and 5 her lucky number. The poinsettia is her flower.

NEVADA

IMPORTANT NOTICE

To Secretaries of Corporations Doing Business in Nevada But Incorporated in Other States

OUR CHARGE \$9.00

SECTION 1.—All foreign corporations doing business in the State of Nevada shall, not later than the month of March in each year, beginning in the year 1914, publish a statement of their last year's business in some newspaper published in the State of Nevada. If published in a daily newspaper, such statement shall be published for a period of one week, or if published in a semi-weekly or tri-weekly newspaper, for a period of two weeks; or if published in a weekly newspaper for a period of four weeks.

SECTION 2.—The secretary of the company publishing the statement shall file a copy with the assessor of each county of the State of Nevada, in which said company is doing business.

SECTION 4.—Any district attorney in the state is competent to sue to recover the penalty, or the attorney general. The first county suing through its district attorney shall secure the penalty, and if no suit is brought for the penalty by any district the State shall have the right to recover through its attorney-general.

The TONOPAH DAILY BONANZA will make publication required by law, which includes the filing of a sworn affidavit of publication with the assessor of each of the counties of the State, within which the company is doing business; an affidavit of publication will also be furnished secretaries.

TONOPAH DAILY BONANZA

Me-o-my,

how you'll take to
a pipe—and P. A.!

Before you're a day older you want to let the idea slip under your hat that this is the open season to start something with a joyous jimmy pipe—and some Prince Albert!

Because, a pipe packed with Prince Albert satisfies a man as he was never satisfied before—and keeps him satisfied! And, you can prove it! Why—P. A.'s flavor and fragrance and coolness and its freedom

from bite and parch (cut out by our exclusive patented process) are a revelation to the man who never could get acquainted with a pipe! P. A. has made a pipe a thing of joy to four men where one was smoked before!

Ever roll up a cigarette with Prince Albert? Man, man—but you've got a party coming your way! Talk about a cigarette smoke; we tell you it's a peach!

Prince Albert is sold in tippy red bags, fully red lined, hand-made, pointed and half round tin, hand-made and in the round crystal cases, hand-made with sponge, moisture, sup.

PRINCE ALBERT

the national joy smoke

This illustration of the New Queen Broom Holder will give you an idea of how handy and simple it really is—No home is complete without this practical, convenient device. We have one for your home and want you to call and receive this useful household necessity with our compliments.

Sincerely,

Joseph Hardware Co.

Kindly bring this card.
